

DIFFERENT CONDITIONS AND WHICH PRODUCTS TO USE:

The Doc of Detox Humic & Fulvic products have been known to help with a large variety of different conditions.

With almost every condition, start with Black Gold (easiest on the system).

Then go to the Fulvic Acid Concentrate (detox).

Then take the Humic Acid Concentrate (nourish).

Continue to take Black Gold with the Concentrates.

For all conditions, follow instructions on bottle or speak with us directly for special dosage.

Humic Acid Concentrate

Cancer

All cancers are associated with viruses and parasites. Use Humic Acid Concentrate or Black Gold to stop the viruses and Pineal Elixir for the parasites. Fulvic Acid Concentrate is anti-mutagenic and should be used immediately to stop Metastasis. Ormus Minerals in synergistic combination with the above treatments can be used for all cancers.
